

Blue Springs Athletic Association

Youth Cheerleading

Purpose

We have 1 goal with our program, and that is to have fun! We do that by learning the basics of cheerleading, performing in a team environment, and making new friends. We don't travel or perform in competitions.

Cost

\$100, includes a high-quality uniform, briefs and pom-poms.

Practice

Practice will be held once a week, starting the week of August 1, 2011. Once football games begin, we will stop practicing. Practice days to be determined by coach and squad availability.

Who we cheer for

Our uniforms are black and white, with the word "Cheer" on the top. We rotate to a different team each week, but cheer at the same time each week.

Squad Formation

Ages 4 - 6 will cheer at the first Kindergarten game on Friday nights, around 6:30 pm. All other ages will cheer on Saturday mornings around 9:30 am.
